

Problem:

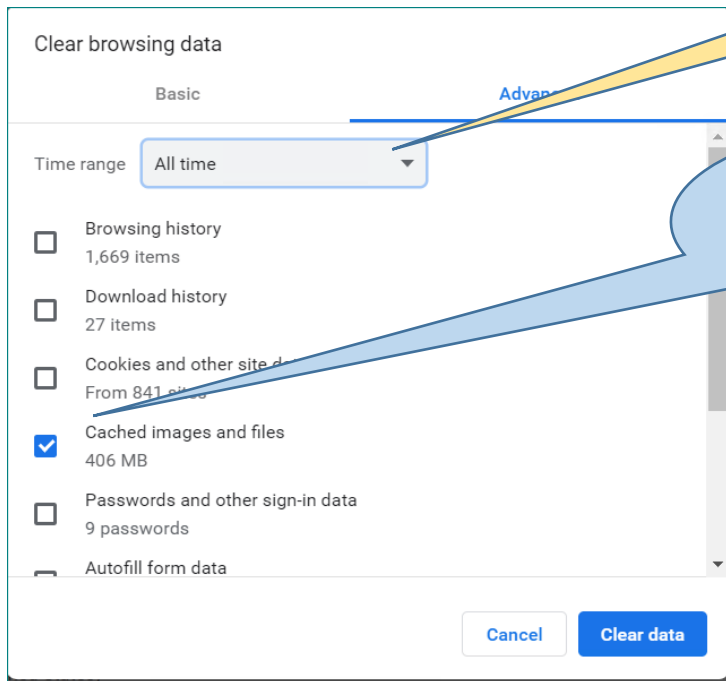

Once you tried Banner 9 Admin, you may not be able to run Banner 8. The browser will automatically forward you to <https://banform.cityu.edu.hk:8468> which is an invalid URL.

Solution (Clear your browser's cached files):

1. Press Ctrl + Shift + Del to open the "Clear Browsing Data" window in your browser.
2. Clear "Temporary Internet files and website files" in IE, "Cached images and files" in Google Chrome, "Site Preferences" in Firefox or "Cached data and files" in Edge.

Please note that Banner 8 form actually can only be run on IE 11.

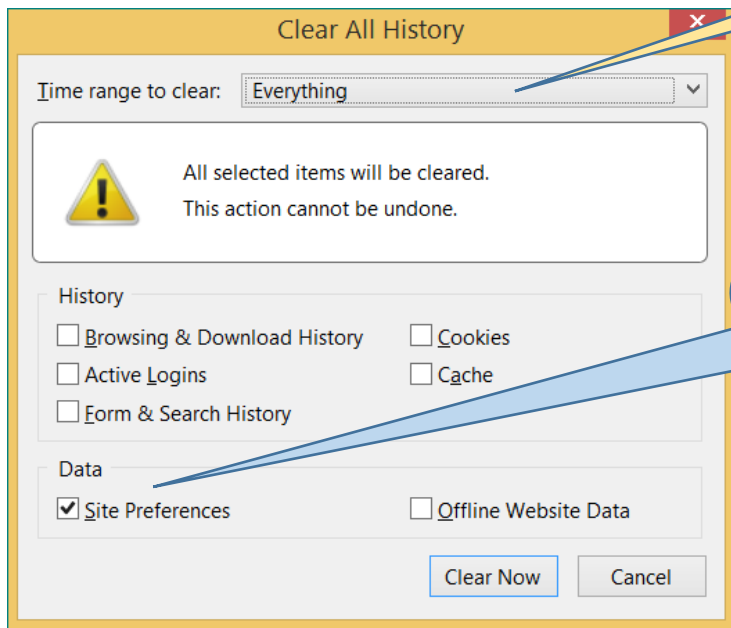

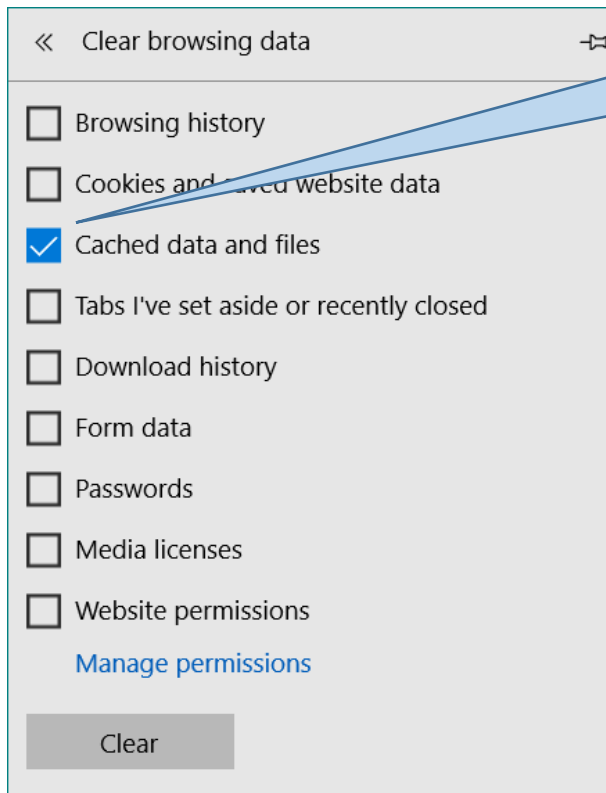

Select time range, eg. "All time"

In Google Chrome, check "Cached images and files".

Select time range, eg. "Everything"

In Firefox, check "Site Preference".

In Edge, check "Cached data and files".
